LIMOLINER INTRODUCES PET-FRIENDLY POLICY

EASY AND CONVENIENT TRANSPORTATION BETWEEN BOSTON AND NEW YORK CITY JUST GOT EVEN BETTER WITH INTRODUCTION OF PET-FRIENDLY TRAVEL

Boston, MA; October 1, 2015 - LimoLiner, a luxury motor coach service providing roundtrips between downtown Boston and Midtown Manhattan, is expanding its executive-class amenities to include pet-friendly travel. The new pet policy allows for LimoLiner passengers to travel with their small dogs and cats onboard on designated trips (registered service animals may accompany their owners on all trips).

“The new pet policy is yet another example of how LimoLiner is rising above its competitors in the Boston-NYC transportation market, offering a luxury travel experience that can include all members of your family,” said Mark Richardson, President of LimoLiner.

The new policy comes on the heels of the company’s complete rebrand, which introduced a new customized liner and a refurbished fleet, newly trained onboard attendants with a heightened level of hospitality, expanded menu options, additional and improved on-board amenities for purchase, a redesigned logo and a forthcoming new website. These changes are part of President Mark Richardson’s innovative and thoughtful approach to offering a travel experience that is convenient, affordable and luxurious.

The new policy comes into effect on October 1, 2015 and the details for the policy are outlined below.

###

LIMOLINER PET POLICY:

LimoLiner now gladly invites the addition of passengers’ well-mannered small dogs and cats onboard on designated trips, provided that pets remain within soft pet-carriers that can fit underneath the seat in front of the passenger or be placed directly under the passenger’s legs. Pets **must** be kept inside their carrier at all times and owners should be mindful of the trip length of 4-5 hours when planning to bring pets onboard (LimoLiner does not stop during the journey). LimoLiner allows a maximum soft pet carrier size of 19”L x 12”W x 10”H. A \$39 pet fee will be assessed per trip. Only one pet per customer per trip. To book a pet reservation, customers are required to call the reservations line up to **24 hours** prior to departure. Seat assignment will be made by customer service representatives based on seating availability. Restrictions on seating with pets may apply.

There is a limit of three animals allowed per trip, booked on a first-come, first-served basis. Pet carriers need to be placed fully under the seat, leaving the passage way clear. Carriers may not be placed on any seat.

Registered ADA service animals may accompany passengers on all LimoLiner trips at no additional charge and will take priority over pets.

LimoLiner does not allow exotic and/or larger pets (above 25 lbs.) to travel on LimoLiner and no pets may be placed in the cargo bay.
